HAPPY NEW YEAR

Welcome to the 2017 season, the 33rd for the League. The 2016 winners were Southampton Saints, their tenth victory.

As of last year the League will be playing in three man teams.

We have a new team joining, the Southampton Sinners, which will be captained by Brian Jones. Unfortunately we have lost two teams the South Winds Phoenix and the East Berks Smarties. I must personally admit responsibility for the loss of the Phoenix, as a result of my move to live on the IOW the South Winds club closed,

We will be playing in a single division of eight teams. I hope you all have a good season.

If any team can make amicable arrangements to play matches in an earlier session they may do so without consulting me. If available players permit, this can be a good strategy as it avoids a bottleneck at the end of the season.

Remember the Arbitration Panel is available to help. If you have any disputes they will be available on the telephone.

The Web Site for the Southern Counties Scrabble League -

MATCH ARRANGEMENT, SCORING AND TEAM RULES 2017

Season and session dates

The main season will run from **1 March to 10 November** and will be divided into three sessions
1 March to 31 May 1 June to 31 August 1 September to 30 November.

In general a team will play either two or three matches in each session. Any variation must be agreed by both teams and the League. (**Comment** Matches may be played earlier or later if both teams and the League agree but all fixtures must be completed by 10 November.)

Arranging matches

The home captain should contact the away team by the **15th day of each session** offering three or more dates for matches due to be played. These should include Saturdays and Sundays and cover a reasonable spread of time. Midweek matches are allowable if mutually agreeable. The away team then has **ten days** in which to select one of these dates otherwise the **home captain** will select one of them which will be deemed binding. If the home team does not offer dates by the required time they may lose their home advantage. The **away team** may choose a date and venue to suit themselves and inform the home team. The league will arbitrate if contacts seem unreasonably delayed or withheld. (**Comment** this rule is rarely invoked as most teams manage to mutually agree dates in a friendly manner within the spirit of the League.)

Team players and transfers

In a League match each team will consist of three players and a substitute may not be played once a match has commenced. A club team's players must be bona fide members of that club. Each player will be allocated a number (one to three indicating ability) for the match by their team captain and will play three games to a prearranged pattern. Thus nine games constitute a match and the result depends on the number of games won. An equal no of games points, wins/draws, is deemed a match drawn regardless of the number of games points scored by the two teams.

A team may use as many players as it wishes throughout a season but once a player has played **one League match** they are deemed 'registered' to that team for the season. Transfer of a player's team registration during the season might be considered by the League in special circumstances. (**Comment** to ensure that a fixture is played the League may agree some latitude here.)

A player may play **once** for another team provided they are a bona fides member of the club, this provision should only be used if no alternative is possible.

Venue arrangement and necessary provisions

At the venue the home team shall provide **four Scrabble sets of Tournament standard** plus copies of the COLLINS SCRABBLE WORD LIST for challenges. A **clearly written challenge** shall be **adjudicated by a player of each team** at an adjacent table. Unlimited challenges are allowed without penalty.

COLLINS SCRABBLE WORD LIST – 2015 edition – is the Currently Approved authority for all League matches. (**Comment**, the complete book of words from two to fifteen letters should be available). Hand held electronic devices maybe used for checking if both team captains agree. Otherwise National Scrabble Club Rules and ABSP Games Rules apply.

The game ends when one player plays the final tile on their rack or if both players pass three times in succession, a successfully challenged word counting as a pass. **The three games shall be played in one room.** Tables should be adequate size and height. Coffee tables are generally not suitable. The away team may choose where they sit for each game. The official score sheet should be completed at the end of the match, signed by both captains and posted promptly by the home team to the address shown.

Use of clocks

Clocks may be used in League matches if the **away team makes the request** at least two weeks before the match is due to be played. The requesting team must then provide three clocks of approved standard.

When clocks are not used the **correct time** to challenge is **after your opponent has declared and written down their score but before you write down that score.** (**Comment** the writing down of the score was chosen as the end of the turn as this represents clear evidence of each player's intentions whereas a spoken score might later be suggested to have only been an interim computation whilst seeking the best play.)

Match scoring

The match should commence reasonably close to the agreed time unless both captains agree on a justifiable delay. If a team player is short for a part or all of a match that player's games will be credited as a win to the nominated opponents for the purpose of the match and League records. A score of 375 and/or a spread of 75 may be used as appropriate. The match is deemed to have been won by the team which wins the most games.

The **League points scoring** is based on the match result

- Three points to the winning team
- One point to each team in a drawn match
- No points to the losing team

A team having a walk-over will be awarded three League points and between 6.5 and 12 game wins on their record depending on the League's view of the circumstances. Teams who cancel fixtures could have points deducted should the League decide the reason was unsound.

At the end of the season where teams are equal on points the team with the most game wins will gain the higher position in the League table. Total points scored or highest game scores may then be used should game wins be equal.

Complaints, disputes and transgressions

All complaints, disputes and transgressions will be considered by the League Arbitration Panel. Their ruling will be final.
