HAPPY NEW YEAR

It is with some apprehension that I take over the organisation of the League from my two very competent predecessors- Michael Partner and Peter Sime and I just hope I am as competent at the task as they were.

I was hoping to have a comparatively stress free first season by keeping to the status quo and making no changes to the organisation. But due to the loss of three teams since the start of the 2008 season the 2009 second division would have been, in my opinion, unacceptably geographically dispersed. So I have rearranged the League into three geographical divisions which I hope will be acceptable.

To allow a reasonable time for the Playoff matches I have shortened the time allocated to the Group 3 matches by 20 days.

If any team can make amicable arrangements to play matches in an earlier session they may do so without consulting me.

I have set up a Web Site for the Southern Counties Scrabble League which I hope you will all look at-
www.southerncountiesscrabbleleague.co.uk

The web site is fully accessible but still under development. One useful feature is that you will be able to download copies of the SCSL News. I am intending in 2010 to offer a discount on League entry fees for those who do not require me to mail them the SCSL News but will be willing to download.

TOURNAMENT REPORTS

Isle of Wight Charity Weekend

Two nine game Round Robins were played, a First and Second prize being awarded in each group for each RR. The results were:

First Half

Division	First	Second
A	P Richards	A Richards
B	J Philips	D Reading
C	H Parker	P Hall
D	T Cooper	J Warren
E	K Lovell	J Mills

Second Half

B	D Shenkin	M Staunton

The prize winners' tables show successes by local players, many of whom support the League.

The following was received from Noel Turner:

Islanders Eclipse Australians

Newport's Penny Downer dominated the first major Scrabble tournament of the year, held at Sandown's Carlton Hotel, despite the challenge put up by 3 Australians who were warming-up for the following week's UK Open. Penny won 14 of her 16 games, 3 more than her nearest challenger. The only games she lost all weekend were to her Newport rival and last year's winner Noel Turner, who finished runner-up, and to the youngest and strongest New South Wales representative, Alastair Richards, who ultimately came 3rd.

The event which was attended by 46 players, took the form of two sets of round-robins, with promotion and relegation at the half-way stage. Alastair's father Paul Richards dominated the first round-robin, winning 7 of his 8 games. Alastair, with 6 was second at that stage, with Penny on 6 in 3rd. Noel managed to keep his place in the top division for the second half with 4 wins including his win over Penny. Ryde's Ivan Swallow dropped out of the top group, but was replaced by Newport's David Reading whose 6 wins had given him 2nd place in the B division. Hazel Parker was another Island success of the first round. Her 6 wins out of 8 won her the C Division, and promotion to the B group for the second half.

It was David's promotion, though, which proved crucial, as it was he who recorded the first win over top-rated Alastair Richards in the second round, opening-up the opportunity for Penny to do the same, on the way to a clean 8 wins out of 8.

Penny's national rating soared after the event, rising from 167 to 172, and putting her in the country's Top 50 players.

Ellen Weeks directed the event on behalf of the charity Age Concern (Isle of Wight), for which over £1600 was raised.

MATCH ARRANGEMENT, SCORING AND TEAM RULES 2009

Season and session dates

The main season will run from **1 March to 10 November** and will be divided into three sessions
1 March to 31 May **1 June to 31 August** **1 September to 10 November.**

An extra, fourth session from **11 November to 10 January 2010** is for the playoffs between divisional winners to determine the League Champion.

In general a team will play either two or three matches in each session. Any variation must be agreed by both teams and the League. (**Comment** Matches may be played earlier or later if both teams and the league agree but all fixtures must be completed by 10 November.)

Arranging matches

The home captain should contact the away team by the **15th day of each session** offering three or more dates for matches due to be played. These should include Saturdays and Sundays and cover a reasonable spread of time. Midweek matches are allowable if mutually agreeable. The away team then has **ten days** in which to select one of these dates otherwise the **home captain** will select one of them which will be deemed binding. If the home team does not offer dates by the required time they may lose their home advantage. The **away team** may choose a date and venue to suit themselves and inform the home team. The league will arbitrate if contacts seem unreasonably delayed or withheld. (**Comment** this rule is rarely invoked as most teams manage to mutually agree dates in a friendly manner within the spirit of the League.)

Team players and transfers

In a League match each team will consist of four players and a substitute may not be played once a match has commenced. A club team's players must be bona fide members of that club. Each player will be allocated a number (one to four indicating ability) for the match by their team captain and will play three games to a prearranged pattern. Thus twelve games constitute a match and the result depends on the number of games won. Six games each is deemed a draw regardless of the number of points scored by the two teams.

A team may use as many players as it wishes throughout a season but a player may only play for one team during the season. Once a player has played **one League match** they are deemed 'registered' to that team for the season. They may however subsequently play one League match for another of their club's teams in a higher division. Transfer of a player's team registration during the season might be considered by the League in special circumstances. (**Comment** to ensure that a fixture is played the League may agree some latitude here.)

Venue arrangement and necessary provisions

At the venue the home team shall provide **four Scrabble sets of Tournament standard** plus copies of the COLLINS SCRABBLE WORD LIST for challenges. A **clearly written challenge** shall be **adjudicated by a player of each team** at an adjacent table. Unlimited challenges are allowed without penalty. **COLLINS SCRABBLE WORD LIST – 2008 edition – is the approved authority in all League matches.** (**Comment** the complete book of words from two to fifteen letters should be available). Otherwise National Scrabble Club Rules and ABSP Games Rules apply.

The game ends when one player plays the final tile on their rack or if both players pass three times in succession, a successfully challenged word counting as a pass. **The four games shall be played in one room or two in each of two rooms.** Tables should be adequate size and height. Coffee tables are generally not suitable. The away team may choose where they sit for each game. The official score sheet should be completed at the end of the match, signed by both captains and posted promptly by the home team to the address shown.

Use of clocks

Clocks may be used in League matches if the **away team makes the request** at least two weeks before the match is due to be played. The requesting team must then provide four clocks of approved standard.

When clocks are not used the **correct time** to challenge is **after your opponent has declared and written down their score but before you write down that score.** (**Comment** the writing down of the score was chosen as the end of the turn as this represents clear evidence of each player's intentions whereas a spoken score might later be suggested to have only been an interim computation whilst seeking the best play.)

Match scoring

The match should commence reasonably close to the agreed time unless both captains agree on a justifiable delay. If a team player is short for a part or all of a match that player's games will be credited as a win to the nominated opponents for the purpose of the match and League records. A score of 375 and/or a spread of 75 may be used as appropriate. The match is deemed to have been won by the team which wins the most games.

The **League points scoring** is based on the match result

- Three points to the winning team
- One point to each team in a drawn match
- No points to the losing team

A team having a walk-over will be awarded three League points and between 6.5 and 12 game wins on their record depending on the League's view of the circumstances. Teams who cancel fixtures could have points deducted should the League decide the reason was unsound.

At the end of the season where teams are equal on points the team with the most game wins will gain the higher position in the League table. Total points scored or highest game scores may then be used should game wins be equal.

Final League positions

The Winner of the League will be decided by a playoff between the three winners of the Eastern, Central and Western Divisions.

Complaints, disputes and transgressions

All complaints, disputes or transgressions will be considered by the League Arbitration Panel and their ruling will be final.
